## ENGLISH - Declaration of Conformity

Hereby declare under our sole responsibility as a legal manufacturer that the product specified on the product list below, meet the essential health and safety requirements and is in conformance with the provisions of the Regulation (EU) 2017/745 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL on medical devices.

The product are classified as Class I, medical device. The classification is based on the requirements of Rule 1 of annex VIII, of the Regulation (EU) 2017/745.

The CE marking has been affixed on the product according to Annex V of the Regulation (EU) 2017/745.

### INTENDED PURPOSE

Use is indicated for people with limited standing ability and reduced or no functional ability of the lower extremities. The commode wheelchair is a medical device intended to be used only as seating support by individuals who require such help during mostly independent bathing, showering and defecating (the bathroom must be compatible). It is also a transport option intended to transport patients from and to bathrooms or toilets. The device serves a fundamental function and makes the life of both the physically challenged user and the assistant much easier. The device should only be used indoors. Any other use is prohibited.
